

The Complete John Wayne Videography

On this page are two lists. The first is a list of video documentaries specifically about John Wayne, and the second list features video documentaries that feature John Wayne, either as a guest or in archival footage. Page does not list John Wayne films that have been released on VHS video or DVD. Some of these video documentaries first appeared on television, but were subsequently released on video tape or DVD, and so may be present both on either of these two lists as well as the list of John Wayne television appearances which also appears on this website.
